

Phase Two Facility Quarantine set for November 18, 2020

Mental Health Action Plan

- The mental health department will maintain current operations.
- Per our current procedures, the mental health department will continue to respond to on call to any location in the jail.
- Inmates admitted to 3A from Intake, once cleared will be placed in the appropriate quarantine cell per timeframe.
- Psychiatric evaluations/medication orders will continue.
- Suicide Assessment and placement will continue. When cleared, inmates will return to their location of origin, excluding new admissions from intake-See third bullet point above.
- We will continue to respond to Sick call requests.
- For On-Call and Sick Call responses, in addition to addressing the psychiatric reason for the call, we will make the following resources available:
 1. Chapters from the Book “Mind over Mood” to assist with coping skills.
 2. Sleep and relaxation packet to provide coping skills
 3. Journal
 4. Puzzles
 5. Learning to relax your mind packet. Coping skills for overactive thinking, breathing exercises, muscle relaxation exercises.
