

The Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA®), was created in 1979 as a credentialing authority through the joint efforts of law enforcement's major executive associations. The CALEA Accreditation program seals are reserved for use by those public safety agencies that have demonstrated compliance with CALEA Standards and have been awarded CALEA Accreditation by the Commission.

Accreditation Public Comment Portal

<http://cimrs2.calea.org/898>

The purpose of this public portal is to receive comments regarding an agency's compliance with CALEA standards, engagement in the service community, delivery of public safety services, and overall candidacy for accredited status. These comments can be in the form of commendations or concerns. The overall intent of the accreditation process is to provide the participating agency with information to support continuous improvement, as well as foster the pursuit of professional excellence.

CALEA is not an investigatory body and subsequently the public portal should not be used to submit information for such purposes. Additionally, there will be no response other than acknowledgement to submissions; however, the information will be considered in context to its relevancy to compliance with standards and the tenets of CALEA® Accreditation.
